Dear Sirs,

The forum and expo provides a unique experience where it brings in top international speakers, exhibits leading cyber security solutions and provides interactive training workshops.

The Forum and Expo will run for three days:

- May 16-17: Forum Sessions and Exhibition

In view of the critical relevance of the issues covered and the urgent need to enhance cyber security awareness, the CBB encourages you to nominate the concerned staff to participate in the Forum & Expo in addition to attending the suitable Training Workshop.

You may kindly note that for online registration, you can access the Forum & Expo website (<http://cyber.bibf.com>). For further inquiries, you may send an email to cyber@bibf.com or call at 17815551/ 17815555.

Yours faithfully,

Khalid Hamad
