Dear Sir,

**Revised Form “Prudential Information Returns for Islamic Banks” (PIRI)**

As you are aware, FAS 30 has become effective from 1<sup>st</sup> January, 2018. In view of the implementation of FAS 30, the CBB has amended the Form PIRI for Islamic Banks (both Local Banks and Branches of Foreign Banks) to incorporate FAS 30 classifications and related requirements. Additionally, the existing arrangements and CBB requirements for reporting LCR, NSFR and Leverage ratios are also incorporated within the revised Form PIRI.

A soft copy of revised Form PIRI in MS Excel format is attached. The revised Form PIRI must be used for reporting purposes with effect from the period ending 31<sup>st</sup> March 2018. While banks must continue the current practice of filing the Form PIRI on a quarterly basis within 20 calendar days from the end of each respective quarter, the deadline for submission for the first quarter of 2018 will be 10<sup>th</sup> May, 2018.

Meanwhile, the CBB will be uploading the revised Form PIRI onto ESRAD to allow banks to submit their returns electronically. The revised “Guidelines for Completion of the PIRI” will also be placed on the CBB’s website under Part (B) of the CBB Rulebook Volume 2.

Should you have any further queries on this matter, please contact your normal Supervisory Point of Contact (SPoC) at the CBB.

Yours sincerely,

  
**Khalid Hamad**
